About Savannah

Savannah Resources is a mineral resource development company and sole owner of the Barroso Lithium Project in northern Portugal.

Savannah is focused on the responsible development and operation of the Barroso Lithium Project so that its impact on the environment is minimised and the socio-economic benefits that it can bring to all its stakeholders are maximised. Through the Barroso Lithium Project, Savannah can help Portugal to play an important role in providing a long-term, locally sourced, lithium raw material supply for Europe's rapidly developing lithium battery value chain. Production is targeted to begin in 2026, producing enough lithium for 0.5m vehicle battery packs per year.

The Company is listed and regulated on AIM and the Company's ordinary shares are also available on the Quotation Board of the Frankfurt Stock Exchange (FWB) under the symbol FWB: SAV, and the Börse Stuttgart (SWB) under the ticker "SAV".
